Most people become puzzled when
wanting to buy a good spring remedy
as so many blood remedies are ad-
vertised. Think a minute. Sarsa-
parilla is good for the blood; celery
is good for the nerves; if these two
are combined with remedies to pro-
mote digestion you will have a
remedy several times more effective
than any sarsaparilla. Gathin's Sarsa-
parilla Celery Tonic combines all
the above in a perfect manner.
Hence you get more value for your
money than with any other remedy.
For sale by all druggists.
